DETAILED ACTION

Specification

1. The disclosure is objected to because of the following informalities: Page 8 of the specification is missing the U.S. Patent Application Number.

Appropriate correction is required.

Claim Rejections - 35 USC § 102

2. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

Claim 1-5 are rejected under 35 U.S.C. 102(b) as being anticipated by Kimbrough (US. patent 6,170,852 B1).

Kimbrough discloses a trailer hitch assembly comprising:

- a. A quill (32) having a bore and having an outer surface;
- b. A trailer mounting means (figure 2 - the entire trailer assembly is a trailer mounting means) fixedly attached to the quill;
- c. A tongue (34) having a forward end and having a rearward end, the tongue extending through the bore of the quill;
- d. A hitch (12) fixedly attached to the forward end of the tongue;
- e. Slide controlling means (figures 3 and 4) fixedly attached to the quill,

Art Unit: 3611

the slide controlling means being adapted for alternately resisting and permitting sliding movement of the tongue through the bore of the quill,

f. The slide control means further comprises a shear pin, first and second receiving apertures, spring (44), and a pin guiding bracket (46), wherein the shear pin being mounted slidably within the pin guiding bracket for movement between the first and second positions.

With regard to claims 1-4, Kimbrough discloses all of the claimed limitations.

Allowable Subject Matter

3. Claims 5-12 are objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.
